Girls Just Want to Have Fun!!!

President's Message

I hope you each had a wonderful 4th of July holiday. I am still in a bit of shock, however, due to the fact that the year is half over . . . But, believe that time flies when you're having fun, so I must be having a heck of a time!!!!

What a great presentation last month by Karen Alexander. I received an e-mail from her commenting: "I enjoyed meeting your group and found everyone most warm and hospitable! I also enjoyed the excellent quilt history questions from the group as well as your Show & Tell! I continue to be amazed at the number of charity quilts quilters in this area of the country are making for so many different causes. Your guild members are right in there doing their part as well. Kudos to you for all your many efforts." She also asked that if we had any comments or feedback for her to please pass on to her, or through me. If you are so inclined please respond - I did and let her know what great comments I heard.

Our next meeting will have an MGQT focus, Show and Tell, and for those of you who are ready and willing, Our Mystery Quilt reveal! I'm anxious to see what I've missed! And, then in August we have our annual picnic! What a fun event and thank you so much to Lisa Mortell for volunteering her home. If you are interested in putting together the pot luck info, maps and other chairman duties, please let me know! This is always a fun way to celebrate the summer, as well!

So, see you all at the MGQT, may you (and your stash) be happy and safe, and let's all enjoy the summer sun!

Best, Sydney

Innovation/Restoration Quilt Challenge The Museum is raising funds for repair and restoration of the historic 1891 Gaches Mansion, home of the La Connor Quilt & Textile Museum. Fifteen talented quilt/fiber artists agreed to participate in the Museum's Capital Campaign "Innovation/Restoration" Quilt Challenge, and the stunning results are the works of art seen on their site. 100% of the funds raised through sale of these pieces will benefit the restoration.

All the remaining quilts are being offered on eBay for a period of 30 days, at the [Museum's eBay page](#). The quilts may be purchased through the Museum Store and are currently on display at the Museum.

A Lifetime of Quilts: Remembering Elaine Colvin A Quilt Artist, Elaine lost her struggle with cancer in December of 2010 but her legacy as an award winning quilter and long-arm machine quilter lives on in the works she has created. Thru September 25, 2011.
